1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I live in a condominium and am a customer of Carolina Water Service

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

As a single female, who uses water very carefully (turn off when brushing teeth, while showering, making sure that I wash clothes every other week, not using dishwasher and any other way I can think of to conserve water), I feel that a water bill of \$58.00 last month is very excessive. I can not believe that they want to increase our fees.

This will be very difficult for me as I work at a non-profit organization and am pretty much on a low fixed income

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

Unfortunately, it is very difficult for me to be away from my job.
